Business Innovation points test

- the Business Innovation stream
- the Investor stream.

If you are in the Significant Investor stream, the innovation points test does not apply to you.

The innovation points test gives points for various elements of human capital and business innovation. The test also includes objective measures of business performance. It aims to select innovative entrepreneurs who will transfer their skills to Australia and diversify our existing pool of business expertise.

Points are awarded for:

- age
- English language ability
- qualifications
- experience in business or investment
- net personal and business assets
- business turnover
- innovation.

The table below sets out the factors and points of the innovation points test.
